

THE SPEAKER

PROFESSIONAL SPEAKER & PRESENTER

ABOUT DR. MARLA CRAWFORD

Dr. Marla F. Crawford Ph.D is a well-known speaker and advocacy expert with over 30 years of experience in the education field. She has several media mentions to her credit, recognizing her take on various topics ranging from the rise of special education disputes to the importance of mental health experts in public school systems, to name a few.

SPEAK WITH PASSION AND AUTHORITY

Anyone can talk, but a good speaker requires a strong command of the subject. Dr. Crawford has professional expertise in special education and is an international speaker in special education with a Ph.D. in Special Education Leadership, MS in Psychology Specializing in Applied Behavior Analysis, MS in Interdisciplinary Studies (Mathematics, Science & Technology), MEd in Curriculum & Instruction, and BS in Biology Education.

Her passion and commitment to the subject led her to establish Elite Educational Consulting in 2002 to provide advocacy and educational equity for all. Her efforts extend knowledge and academic, social, and emotional guidance to students, parents, educators, and community professionals to foster a more collaborative learning environment that sets people up for success. She embodies the same spirit as a speaker and presenter. She has covered events like the International Convention of Psychological Science (ICPS, Paris, France in 2019), Engaged for Equity” and “The Stakeholder’s Guide, 2018, presented in Minnesota

BOOK DR. MARLA FAITH CRAWFORD PH.D.

Dr. Marla F. Crawford Ph.D has produced and co-authored several publications and papers centering on the subject close to her heart, including Life Science Curriculum Frame Work and Kinesthetic Approach to Science Instruction for Students with Learning Disabilities.

She is fiercely passionate, and her command of education is evident through her impactful and thoroughly researched presentations. Whether it’s an in-school intimate workshop, large-scale conferences, emceeding events, or moderating panels, Dr. Marla Crawford can deliver unmatched speaking and training services to help students and educators navigate the educational curriculum.
